"I can't say enough about this game. The world you create is as good as it gets. The RPG elements are amazing. You can completely customize your character and the game just has an immense amount of content." - Shinjou Maru "The game has a unique look, but in a nice way. The graphics are well done and the textures are nice. I'm a fan of story-driven RPGs, and this game delivers. The character development is really well done, and you can't help but get caught up in the game." - Goong Minhee "I have been looking for some time for a game with a unique setting, gameplay, and a fun story. I am sure I have found it with Elden Ring." - Game Xplus "The Battle System is actually very fun to play. It is extremely easy to get into and with no real difficulty curve. If you prefer role-playing games, this is for you." - Wrathbird "Elden Ring is an awesome RPG with an immersive world and an interesting story. It has well thought-out and different systems in place that further enhance the game experience." - IronBeard711 "A groundbreaking work of a new generation in the RPG genre, Elden Ring gives us a new take on the classic fantasy adventure." - Naughtifu BEHIND THE SCENES Tarnished Space – The Origin of the Game We weren't happy about the way the fantasy sub-genre RPGs were being handled in the early 2000s. Many RPGs were very similar to one another, with only the color of the equipment and monster design changing from game to game. There were a few exceptions, like Dragon Quest and Final Fantasy, but they were the only major role-playing game series that truly succeeded in the genre. Elden Ring is a new fantasy-themed action RPG game that takes the genre a step further, and for that we are very thankful. It's no secret that Tarn bff6bb2d33
