The New fantasy action RPG. Here, let me introduce the "Story Behind the Story." In the Land Between, the battle between the Elves and Humans. The Elves' long history of cultivating their lands of Wisdom and beauty is about to be overtaken. Elves, Humans and Dark Creatures who were banished to the lands between came face to face. The humans kill the Elves who are in great numbers. Concentrating the power of the gods, the Elves do not give up and fight the humans until they are completely gone. Back then, to protect their children from the humanity, the Elves had sealed the gates for humans and Dark Creatures. The gates have been opened by the Elves and there is a struggle for the future of the people of the land between. In the four gates, wars that last forever have been fought. In the story of the player, if you awaken the power that was sealed in the Elden ring, then the Elves will agree to the dialog and start the Legend of Elves. The story of a Dark One The dark lord, the one who sealed the power of the Elden Ring in the war of four gates, vanished from the land between 1000 years ago, however, he still resides in the Lands Between. Today, the war in the four gates is a struggle that will determine the future of the human race. If the humans win, then

the humans will advance all of the knowledge of the Elden Ring to the four gates. We apologize for the interruption!
