Elden Ring Features Key:

World where players can experience distance and combat effects - it's a world where action and strategy are uniquely combined together. By advancing both your body and mind, you can reinforce your affinity with the world through tactical battles, discovering the growth of events and the quest for new items. In the event that you are capable of achieving an action where magic and physical force meets, you can obtain a reward in the form of a rare weapon and armor. This will help you achieve even more power.

Investigative action and unique character development - Putting priority on the exploration of others, you will take on a variety of investigations and 3D dungeons as part of the game play.

You will use secrets and mysteries slowly revealed over time to become a Tarnished. The wisdom gained by wearing Tarnished is both mana and skill.

Asynchronous party play- Various methods of interaction are provided in order to enjoy the game. As you are expecting a party form or other unique functions where the play screen automatically switches, and you are coordinating your actions, you will enjoy the game. Also, in online mode, you can also ride items while participating in an object while collaborating and communicating with your friends and other players.

Fully Armored Armor- You will always be protected from damage by our fully armored armor. Edgar, an old gladiator who had been leaving his dungeon for many years- You will find his "dungeon" on a barren hill, where ancient machines have been assembled. As the level increased, the attention of Edgar will grow. To defeat your opponents more easily, you can perform various actions by boosting your toughness, magic, or strength. It will also increase your leveling rate, allowing you to gain skills quickly.

Dramatic action scenes- You will see characters trapped by wild wolves, waterfalls flowing in time, and other such natural disasters. To defeat your opponent, you will use various items and attacks.

THIS IS AN UPDATE, ITS PREVIOUS VERSION WAS PACKED WITH CODENAMES SO YOU CANT BREATHE, ITS NOW JUST HAPPENING.
