FIFA is EA Sports' global sports franchise of football (soccer) simulation video games. What are FIFA Ultimate Team? FIFA Ultimate Team™ is a virtual card collecting and management game, similar to real-life collectible card games such as Pokémon and Magic: The Gathering. What are Seasons? FIFA Seasons offers a dynamic competitive calendar mode with FIFA Ultimate Team, rewarding fans for playing and winning matches across different game modes. Seasons also allows for the creation of custom leagues with customised schedules and formats, created using a combination of real and randomised league data. It also introduces Flexible Scheduling to allow for partial home and away fixtures that are guaranteed to have a home club in every round. What are Leagues? Leagues bring the competitive side of FIFA Ultimate Team to life by giving the community the ability to manage a set of custom teams based on clubs from around the world. FIFA Leagues aim to provide the best possible platform for clubs to compete in an official competition and for players to progress their league teams.

What are Qualifying Tournaments? Qualifying Tournaments are structured tournaments within a season that are based on play-in rounds. All league teams must qualify based on points earned in matches within the season and only one game outside of the country that they play in. Leagues are completed by the end of the Qualifying Tournament, after which the top finishers are split into two leagues. The qualification structure for Qualifying Tournaments changes throughout the year. What are the Play Modes? Play Modes return in FIFA 22 as a collection of simulated football (soccer) match modes, including Touchline, Association, Mastery Cups and more. Players can now feature on the pitch, create and customise their own player, then take their team to the pitch in a variety of exciting and challenging match-ups, all against other team, club or online players. How are my improvements to be displayed? To help you track your progress in FIFA 22, you can view your player progression in the Squad Builder. This can be accessed through the in-game main menu, by pressing the Start Button then selecting Squad Builder. As your player levels up, you'll be able to make further improvements. How do I unlock players for my FIFA Ultimate Team? Players can be unlocked for your Ultimate Team in a variety of ways, including through Play Packs, DLC and bc9d6d6daa

What's new:

- **FIFA 22 introduces the most realistic virtual footballer ever in “HyperMotion Technology”, which brings the true sensation of speed and smoothness into FIFA. Get closer to your teammates, virtually speaking. Let the ball do**

the work.

- **FIFA 22 also includes a “Player Awakening.”** You can be awakened by scoring or doing really well in the virtual environment. You can also get to awaken by passing to a teammate to put the ball in the opponents’ net.
- **FIFA 22 also includes two-player head-to-head online multiplayer in the World Football Café.**
- **FIFA 22 also includes 3D match engine which runs in real-time for smoother gameplay.**
- **FIFA 22 introduces “Career Mode”— a brand new mode for up to four players. A new gameplay experience lets you live out your dream of managing your football club to become a champion. Customise the soccer stadium, graphics and kits of your team. Decide whether to play in the lower or higher divisions. Player School Tales, offering fun off-the-ball moments as you master your Pro skills, will become the new ambition of every player. Career Mode lets you develop your strengths as a striker or midfielder as your skill progresses. Keep your eye on the ball and create more shots than your opponent in a showdown at the top, knocking your rival out of title contention.**
- **FIFA 22 introduces Tactics and Team Styles—power your team through smart off-the-ball decisions. If an opening appears, take your chance, and dominate the possession. The ability to control the ball with the stick is also enhanced, letting you bring your direct style of play to your gameplay.**
- **FIFA 22 includes two new modes: Shootout and Slide Tackle.**
- **FIFA 22 introduces Ultimate Team Promotions—special challenges and rewards that occur randomly throughout the year.**

The FIFA franchise has gone from strength to strength since its humble roots as an arcade football game released in the mid-80s. It’s proven itself to be a best-selling and iconic franchise, delivering global competitive and sociable

gameplay experiences for a vast player base. In addition to the FIFA franchise, EA SPORTS is home to the Madden franchise, and has sold over 100 million copies of their NFL games. In FIFA 22 we're going to continue taking everything you love about the game, making it even better, and pulling back the curtains to show you the power of the new engine we've created. This engine is our breakthrough for FIFA, and it's delivering jaw-dropping new gameplay and visuals on day one of development. But it's not just about visuals! There's much more to FIFA than just the beautiful game on the pitch. We've been hugely inspired by EA Play FIFA 19, and we're looking forward to sharing more exciting news and updates about the new updates as we get closer to launch. There's even more to FIFA than just beautiful visuals. And, we hope you're hungry for more! We're really proud of what we've created in FIFA 19 with you, our loyal fans, who have played the game so enthusiastically. We want to make sure you're involved as much as possible, and ensuring the FIFA community is huge is paramount to our future. **FIFA IS THE BIGGEST GAME IN SPORTS** One of the biggest problems in the past has been that the game was focused on the All-Stars and set-up style gameplay. We've worked on this from day one of game development, and we're really excited to see the results of these efforts starting with FIFA 22. While we've had some previous launches this year and FIFA 18 launched in summer 2017, we're really excited to see what the community will think about the new direction we're going with FIFA. The new gameplay, innovations and features will be a huge positive for us to hear in focus groups, as well as being of great interest to the fans. We've been inspired by EA Play FIFA 2019 to make changes to our gameplay at a pace that respects the investment you have in the game. We want our next game to be
