#### **Nightmare Reaper game descriptions:**

- Man's only hope is a forever life - to go into the hospital where he will receive a precious new equipment "Death'satorium". Little realized, he also gets to see the alternative to immortality, to die. The man will receive a machine to make him feel death and the procedures will go on for a year. But the man's soul won't die - it will be saved, so to speak, no longer forgetting all his memories of the past.
- In a weird room, where there is only one window, there are old medical equipment: a cleaning tool, dirty blue gown, rusty surgical knife...
- When the time comes, the man is to be led out and his life is supposed to end.
