Sixth generation warhorse RPG: Into the 3rd Dimension. Into the 3rd Dimension! The third dimension is: to go to the edge of space, to go to the limit, or to go further than the abyss. 6th generation RPG warhorse: Elegance meets realism. Elegance meets realism. With anti-aliasing and the highly enhanced graphics engine for ultra-realistic graphics, you can play with exquisite delicacy. Feel the mysterious force that oozes from the 3D graphics. Feel the blood pulsing in your veins as you fight against monsters. Hear the swing of the sword as you dispatch your foes. Feel the rush as you ride a new type of warhorse. New changes to Time and Space. Did you feel the time slow down while exploring the Dream World? The long time you used to spend when visiting the Dream World can now be enjoyed, and with the introduction of time splits, you can even explore even more of the mysterious Dream World. Did you ever catch yourself in a situation where you lost your sense of direction? A powerful magic was just the thing! There are times when a struggle in a certain land is but a moment in time. You can even experience the flow of time and space within the game. Feel the weight of the warhorse you ride as you cross vast expanses of wilderness and desolate plains. Fight enemies in 3D. You are about to take on an enemy large enough to fill your screen in the 3D world! The battle has started. While exploring the Dream World, you can freely watch the battle between monsters and heroes. GRAPHICS Graphics engine - Ultra-realistic real-time 3D graphics. Anti-aliasing - The new "Black" engine technology optimized for realism and playability. Bundling - Bundling is a technology allowing you to enjoy similar features and content among games, a new play value! Based on the PS4™ game engine. Easily manipulate a photo of your PS4™ in game. Create and hold multiple PS4™ devices in the same game. Support 1080p and 4K. 3D(STUDIO) WITH ANTIALIASING Traditional Antialiasing Close-ups in the 3D world use pixel-art traditional anti-aliasing technology, but for a full screen, you can enjoy crisp anti-aliasing

Elden Ring Features Key:

Wield the power of the Elden Ring and be the chosen one leading this civilisation from the back.

Explore a vast world full of variety. You can explore a new field every day or clear the entire dungeon.

Fight enemies in tight and dangerous fights. This game features two-on-one battles and four-on-one battles. In tight fighting, develop techniques for dealing with enemies such as speed and shield skills.

Equip your character and magic. You can freely combine the skills and weapons that you equip.

You can even raise your characters' endurance, allowing you to fight more efficiently.

Take on the role of the chosen one who will bring peace to the world of Elden.

Gather and cultivate the animals, plants and minerals in the world. The more you defend the world

from monsters, the more the Gather will grow.
Become an expert at gathering and enjoy the spoils of your successful battles.
Go against the darkness in many different forms at your enemy's treachery to survive.
Meet magnificent creatures that can accompany you as you journey.
In addition, you will encounter the Lost Shapes along the way. You will need to hone your skill in order to obtain the Lost Shapes and learn their secrets.

Features of the Elden Ring:

- All the maps, monsters, equipment, and other contents of Elden Ring have been created by the legendary art director Koichi Nakamura, known for creating the Odin Sphere series and the Zero Escape series.
- Explore the world that was aged by the father and bring order to the world of Elden.
- You can fight using a variety of weapons and magic. You can use any special attacks or other special weapons such as a dragon's claw, a mace and a sword.
- In addition to hand-to-hand combat, you can also use shields. You can use the shield to block or dodge. Shield skills are useful since they have a large single hit area.
- Take on an enemy
