However, in some aspects it appears that the state is becoming more affluent, and it's the hometown of two of America's fastest-growing cities — Boise and Twin Falls. The Idaho Department of Commerce recently released its state population estimates, and the numbers tell an interesting tale. The statewide population was estimated to have grown by 7.6 percent since 2000, with Idaho's estimated population for 2012 being 1,715,309. The Census Bureau projects 6d1f23a050
