## Microsoft Office Home And Student 2007 Download Trial Free [BETTER]

A 60-day trial version of Microsoft Office Home and Student 2007 can be run a total of 25 times before being activated with a product key. Once a trial is activated with a product key, it will remain active for one year before being closed due to a time limit. Once the trial period has expired, Microsoft Office will be installed on the user's computer. If the user has a Microsoft account, all that is required after that is to sign in to get a product key for the upgrade. This trial usage restriction was announced on August 1st.
