Sleeping dogs XVIDEOS.COM So i sit on the couch, and nympho next door takes my shirt off and starts licking and sucking on my nipples she kisses up my neck and down my chest she gives me a rough tongue bath then she takes my shirt off and starts licking the back of my neck, she licks all the way around my neck and over my shoulder blades. Then she crawls back down under the couch and continues licking my neck and shoulders, but this time she takes over with her mouth, as she slides her hand down between my legs, to find my cock. She fondles my cock for a bit and sits up, as she takes my pants down and starts working on my bulging cock. She takes my cock in her hand and works me over, as she strokes my cock. Cock on the other hand is a short and stout dong with a nice head, and a muscular body. She finally lays my cock at the entrance to my ass and pushes me in, pushing me up and then back in, she is getting me all wet and tight. Now I am about to cum, not a lot of cum but a little and she quickly turns around and places her cunt on my face, and then spreads her legs apart and lets me bury my face in her juicy twat. She starts to grind her pussy on my face, she then turns around and over my shoulders so she can push against my cock. She pushes her pussy against my cock and she starts gyrating her hips in circles, and she begins to make high pitched moans as she gets close to cumming. Eventually she cums and I cum as well and I gently start to kiss her butt and pussy all over.
