
Bmw Scanner 140 Full Version __FULL__

October 15, 2017 - the latest version of BMW Scanner v1.4.0.9. There are many references for version 1.4, ... Have you tried manually installing the drivers C:\\BMWScan140\\.inf and C:\\BMWScan140_USB\\drivers\\usb\\ depending on your OS (I have Win 10 32bit)? In this case, depending on the OS, it is necessary to execute certain additional commands. For example, Windows 10 requires the file C:\\BMWScan140_USB\\drivers\\usb\\Win32.inf. In my opinion, it is not needed: C:\\BMWScan140_USB\\drivers\\usb\\ is enough. But I'm not sure. So, run the BMW Scanner (on Windows XP or Windows 7, run the installer), then right-click on the scanner and select "Properties".
