July 3, 2013 - Does anyone remember my Alpha Kimori review? Probably not, but I'm rewatching the sequel. Alpha Kimori: Episode 2 PROS Complex... I don't know what to say. To be honest, I just don't understand why it's so good. Yes, there are moments that do not seem very good to me. But these are just moments, and I really like that they are. Still, I don't think it's as bad as many people think. Let me tell you why this is so. To be honest, I don't know how to do it. But I'm sure if you watch this show you'll understand what I mean.
