BMW INPA 3.01 DIS SSS and DIAG HEAD With instuctions Complete Turnkey Diagnostic/Programming systems available. For BMW Inpa 3.01: I just started. without the crack. I need to run a clean INSTALL and overwrites. . and no support for the INPA; I no longer have a a copy of the diagnostic cable that had it.Q: Error: Can not find the reportviewer control in reportviewer dll I want to use the ReportViewer control for rendering a report in my Windows Forms project. In my Solution Explorer panel, there is a'reportviewer' folder and inside, there are all the files and dlls necessary for the ReportViewer project. I added the reference to the Microsoft.ReportViewer.winforms library to the ReportViewer dll and all the other libraries are added as well. The project compiles well. But when I run the project, the application gives the following errors: Error 1 The type or namespace name 'ReportViewer' does not exist in the namespace 'Controls' (are you missing an assembly reference?) D:\My\_Project\L-Informer\l-informer.cs 16 9 My\_Project Error 2 The type or namespace name 'ReportViewer' does not exist in the namespace 'Controls' (are you missing an assembly reference?)
